

**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ALABAMA
NORTHEASTERN DIVISION**

RAFAEL LLOVERA,

Plaintiff,

v.

STEPHEN PARKER,

Defendant.

Case No. 5:24-cv-397-ACA-SGC

MEMORANDUM OPINION

On May 24, 2024, the magistrate judge entered a report recommending that the court dismiss this action without prejudice for failure to prosecute. (Doc. 4). The magistrate judge notified the parties of their right to object and warned them that failure to object waives the right to challenge on appeal any unobjected-to factual and legal conclusions. (*Id.* at 2–3). The deadline for objections has passed without receipt of any objections.

The parties’ failure to file specific objections waives any challenge to the proposed findings and recommendations. *See* 28 U.S.C. § 636(b)(1); 11th Cir. R. 3-1. After careful consideration of the magistrate judge’s report, the court **ADOPTS** the magistrate judge’s report and **ACCEPTS** the recommendation.

Pursuant to Federal Rule of Civil Procedure 41(b), the court therefore **WILL DISMISS** this action **WITHOUT PREJUDICE** for failure to prosecute. The court will enter a separate final order consistent with this memorandum opinion.

DONE and **ORDERED** this July 3, 2024.

ANNEMARIE CARNEY AXON
UNITED STATES DISTRICT JUDGE
